Notes for girls coaches

There are 15 brackets of 3 teams each. Friday games are bracket play.

Saturday games are winners vs losers in the first 3 columns.

The last column is a round robin among the 3 brackets so you'll see Sunday games listing RR placing among those teams. Each bracket of round robin is designated 1st, 2nd and 3rd for Sunday games.

Let me know if you have questions on Sunday games.

Everyone plays two games each day.

All games seven minute quarters

First team listed wears white caps and starts to left of scoring table

Two time outs per game

All games must have a winner - if tied after regulation, go directly to shootout
