

Dear Business Owner,

We are the Villa Park High School Aquatics Booster club, and we would like to invite you to become a part of our school community. Everything our organization does is to benefit and enrich the current student athletes participating in aquatics, and future students of Villa Park High School. We maintain a structure which allows aquatic sports teams to raise funds and coordinate events. Funds raised by the VPHS Aquatics Booster Club are used directly to pay for items such as equipment, timing systems, referee and tournament fees, as well as keeping program costs low. We strive to make constant improvement in everything to benefit our aquatics program. The coaches and students have been very appreciative of our efforts, and we wish to continue to make the high school a better place for our kids.

In our ongoing quest for improvement, we are offering local businesses such as your own, the opportunity to contribute to this goal by becoming a Sponsor of the VPHS Aquatics Booster Club. We will happily accept any contributions, and acknowledge to the community all assistance we receive. We maintain a web page where we will happily acknowledge sponsorship support and place a link to your own website or email address, and a Facebook page where sponsors will receive acknowledgement of their generosity and concern for the future of our community. All contributions are tax-deductible under tax ID 33-0680747. We will also provide you a donation letter acknowledging your contribution for tax purposes.

There is no better way to show the community how important the high school student athletes are to our society. They are our future leaders and the VPHS Aquatics Booster Club intends to make them become the best possible community members. Your company has an opportunity to be associated with our effort in a very positive manner. The more sponsorships we receive, the better the aquatics experience will be for our student-athletes.

Please contact me at Cawartenberg@msn.com, or return the attached flyer to Villa Park High School Aquatics, at the address listed. For more information regarding our organization, please see our website at villaparkaquatics.com.

Thank you for considering this opportunity, and we look forward to hearing from you.

Sincerely,

Christine Wartenberg
Villa Park High School Booster Club President
